**RE: NELTRAK**

FPB is extremely pleased to be involved in the Neltrak offering as it provides value for our clients by reducing accident frequency, reducing average accident costs, provides accurate accident details and better control of operations in the field. This proactive risk management makes the client more attractive to prospective insurers allowing FPB to obtain proper coverage at the lowest possible cost on behalf of our clients.

FPB in partnership with Rogers Communications, Neltech Logistics and Webtech Wireless Inc. is confident Neltrak will be a strategic asset to the energy industry ensuring greater efficiency and safety.

Yours truly,

**FOSTER PARK BASKETT INSURANCE LTD.**
